SB210

I strongly reject the proposal that voting in Oregon should be in-person only. The mail-in voting protocol here for nearly 30 years has proven to be safe, secure, and successful. This measure seems to be an attempt to undermine voting rights. There is no reason to change a system that has been working well--and which has also been a model for much of the nation--for so many years. This is a waste of time and resources. Leave our voting alone.

Thank you for your time,
Sally Harris
