

Submitter:

Jessica Guadagna

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail has been an efficient, accessible, tried-and-true method. Making in-person voting a standard in Oregon will result in decreased voter turnout and further support the White House administration's voter suppression agenda. Please safeguard our current method of mail-in ballots as it works very well. Thank you.
