

Submitter: Frank Davis

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

This is an attempt to limit the people of Oregon the opportunity to vote in elections.

There are is no reason to end mail-in voting.

Oregon has proven over time that voter identification is nearly flawless through voter registration and the signature on the return envelope.

There is a problem throughout the nation, that should look to Oregon for the solution.

Oregon is a leader. Let's stay that way!!!
