

Submitter:

k O'Brien

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is easy, accessible, cost effective, and one of the areas where Oregon looks out for constituents. Please do not take this right away from us. There's no good reason to, and we all know what it's really in support of. To change. This rule would be to try to cast our votes for us, and that's not okay.
