

Submitter: Jerry Wagar

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by mail in oregon has been effective allowing working class people to vote without missing work. The courts nationally have reviewed our voting system and have found nothing abnormal in the process. As a retired resident we have enjoyed traveling throughout our great nation and vote by mail allows us to cast our vote in the event we are not in the state at that time. I oppose any measure that would change our current voting system.
