

Submitter:

Dr Eric Strand

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vehemently oppose. Voting should be free and easy. Stop bowing to the Trump train and be OREGON. We live here for a reason. Texas exists for an entirely different reason.

As a doctor I can't always get away to vote in person. Mailing in my ballot is the only way I can rest assured my vote will matter.
