

Submitter:

Jeff Boivin

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I urge vote yes on SB 210. The people should have a chance to review the concept and vote accordingly. In person paper-ballot elections held on one day have been successful here in Oregon and elsewhere. Proof of Identification is critical to ensure that only legally qualified voters determine our policies and leaders. Thank you for your yes vote.
