Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this measure as it will make voting less accessible for Oregonians and reduce turnout. So many cannot travel for in person voting due to different limitations including disabilities, lack of transportation, etc. Many others will be unable to vote in person on Election Day due to conflicts of schedule including work and family obligations. Requiring in person voting only hurts voters and their ability to exercise their right to vote.
