SB210

This is voter suppression, plain and simple. Anyone who is in support of this legislation is an idiot. Also, I'd like to see you supporters, rich, old, white people, stand in line for hours in the rain (remember, it's cold and rainy here in November) to vote for your idiot candidate. Also, hard working rural employers and employees won't be able to take time off to go to town to vote, so you're canceling the conservative votes you're hoping to "protect" through this legislation. I mean this will all due respect, get royally fucked...
