

Submitter:

Stephen Bennett

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a retired Newspaper Publisher, I would love to see us return to in person voting. I remember my editorial staff waiting at the courthouse to get the latest count.

We were always able to obtain the official figures and this allows All Citizens of Oregon the opportunity to feel safe and secure in their privileges to vote in person

Please return our great state back to honest and open elections
