SB210

I served in the US military for 24 years and was stationed all over the world and was always able to vote by mail in my home state (New York).

When I retired from the military and settled in Oregon, I was thrilled that I could continue voting by mail. It is the most convenient and natural way in the world to vote!

Why on earth would Oregonians want to make it harder for citizens to vote? Our lives are complicated enough without having to stand in line, in the rain, to vote.

I vehemently oppose this bill and strongly recommend that every legislator vote NO. Oregon doesn't do everything right but voting by mail is one thing Oregon does well. Thanks.
