Senate Committee On Rules

Measure, Appointment or Topic:

SB210

There are countless reasons why it is not reasonable to expect every single person to go vote in person on election day. I'm not even going to list them, many are obvious and I'm sure it's been said before. But the current system has been working wonderfully for Oregonians for ages, because it's what the people wanted. It should not change and we don't want it to change.
