SB210

Hi, my name is Lin Woodrich and I'm reaching out from 97402 to express my concern that by eliminating Vote-By-Mail it would make it difficult for many to vote thus creating a barrier to the voting process. In particular, not being able to "Vote-By-Mail" in our state's rural areas would force people to drive hours to a voting location. Many cannot take off from work in order to drive hours to a voting center. Repealing Vote-By-Mail would block many eligible Oregonians from exercising their legal right to vote. I am OPPOSED to SB210.

With all the CRAZY things going on now, we MUST have a semblance of normalcy in our lives. This has been a blessing and MUST continue!
