Measure, Appointment or Topic: SB210

I strongly oppose this measure. Vote by mail is convenient, you do not need to take time off work to vote. You can drop off your ballot at the County office or the post office.

Additionally, this proposed bill adds an increased burden for those who do not drive or can't physically wait in line to vote. My 89 year-old mother would be greatly inconvenienced to vote. But, she can drop her ballot off in the mail without physically waiting in line to vote. She also can't stand in line to wait to vote.

How much would this cost the state compared to our current 30 year-old system of vote by mail?

PLEASE DO NOT consider this bill, it is wrong and backwards.

Thank you,
