I am absolutely against this bill. If passed, we would be going BACKWARDS in our process for voting. Oregon was one of the first states to allow vote by mail, and this has been successful, and without fraud. I really like the convenience of voting by mail, for I can sit at my table, review voting pamphlet, and take my time considering the issues on the ballot.

I believe this bill was introduced in order to create barriers for voters. Think of the time, money and energy it would take to drive down to a polling place! STOP this idiotic bill!
