Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting is safe, secure, convenient and most importantly leads to greater voter turnout. Oregon has proven that this is an effective method of voting and has been on the forefront of. Those who oppose are afraid of the fact that this leads to greater numbers of people voting. Vote by mail is trackable and therefore much safer than using machines which may be prone to hackers interfering with our elections. Please don't change this!
