SB210

I am in full support of this bill. I have lost confidence in the safety and security of our election system. Mail-in-voting has caused our voter rolls to be dirty, which allows the opportunity for fraud.

Oregon is being sued because of the National Voter Registration Act of 1993 by Judicial Watch. This law requires states to clean their voter rolls every 4 years, and Oregon has never complied. Judicial Watch will win this lawsuit. The number on the voter rolls should never exceed the population, as Oregon's does.

"We the People" need to take back control of our local elections. Please vote "yes" on SB 210.
