I am 69 years old and have lived and voted in this state since I turned 18. I have never missed voting in an election and understand how important voting is to our democracy. Outing by mail is a wonderful opportunity to get more of our citizens voting. I love vote by mail as it is so convenient and especially important to those who are unhealthy, old, or unable to drive. Please continue to allow Oregonians to vote by mail so we can have as many voters as possible participate.

Do not change the law and do not require in person voting. That is what is most fair and the right thing to do to give all voters a voice in elections.
