Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I would like to continue to be able to vote by mail. It allows those that have to work on that day to still participate in the voting process. I feel that a large number of people will be left out of the process if voting by mail is discontinued. Another group that will be disenfranchised would be the elderly and many that live in rural regions. Thank you for taking the time to read my comments.
