On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Hi, my name is Tara Goble and I'm reaching out from [97138] to express my concern that by eliminating Vote-By-Mail it would make it difficult for many to vote thus creating a barrier to the voting process. In particular, not being able to "Vote-By-Mail" in our state's rural areas would force people to drive hours to a voting location. Many cannot take off from work in order to drive hours to a voting center. Repealing Vote-By-Mail would block many eligible Oregonians from exercising their legal right to vote. I am OPPOSED to SB210 voting should be readily available to EVERYONE. There is no logical reason to gate keep voting.
