

Submitter: Cathy Zheutlin

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am opposed to this. The goal of a democracy is to have more participation. We have had safe secure elections with increased participation using vote by mail. There is an incredibly low incidence of voting fraud when utilizing vote by mail, compared with the potential for fraud with traditional voting methods. Vote by mail gives voters more time to consider their votes, increasing down-ballot engagement. Vote by mail reduces the cost of hiring poll workers.
