

Submitter:

Laura Sanderman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This bill is intentionally trying to make it more difficult to vote in this state, suppressing voter turnout. Oregon's voting procedures have been safe and secure and there is no reason to make a change. This would be a step backwards, not a step forwards in our elections process. We need to make voting more accessible, not create more barriers. Please stop this anti-democratic effort and oppose this bill.
