

Submitter: Glen Sachet
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

Honorable Senate Committee on Rules Chair.

My name is Glen Sachet. I live in Happy Valley, OR and have been a resident of Clackamas County for 37 years. I have voted in-person and then by mail when it became available. Vote-by-Mail is the most equitable, fair, accurate and cost effective method for voting in all elections. I vehemently oppose any effort to change back to in-person voting after decades of successful vote-by-mail. In-person voting is simply a method to restrict voting and discourage participation in democracy. Please do not advance SB210 out of committee. Let it die where it deserves, in the waste basket!

Thank you.
Sincerely,

Glen Sachet
