Do not repeal vote by mail. It's great being able to sit down with the voters pamphlet and a cup of coffee and read up on the candidates and measures and have an informed choice for voting. I've been voting this way my entire adult life. Making voting in person a requirement will severely hinder people's right to vote, especially for the elderly and disabled. Vote by mail is just one of the reasons I love living in Oregon. Do not repeal vote by mail!!
