

Submitter:

Victoria DeGuire

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail has been established in Oregon for many years. No matter the political affiliation, the right to vote by mail has increased voter participation. It has provided the opportunity for those who are isolated, those who are disabled, the women and men who serve our country and the everyday person who has a job and maybe children and so many other people in different situations.

Vote by mail is safe, secure and convenient (check the statistics).
