Mark Chapman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon should not change a system that no one had a problem with until a certain person couldn't face reality that he lost. Changing our voting method would only validate the lies that there is massive voter fraud which has been proven false. Someone's obsession about trying to change the fact that he lost should not require action that will affect Oregon voters. Reality over fantasy should be a requirement for elected officials.
