

Submitter:

Camas Davis

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail makes voting so much more accessible to so many people, including me, a working mom who doesn't have time to stand in line to vote. For anyone who is disabled, being able to vote from the comfort of their home at their own pace is tremendously helpful. Keep our voting process as accessible as possible since it is a right.
