

Submitter:	Gary Lahman
On Behalf Of:	Self
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I have voted in every vote by mail election in Oregon since the method began in 1992. I have never had a problem with the method and see no reason to change. I have also acted as a volunteer ballot processing observer and I prefer the methods used to open, examine and then count the mailed ballots. This is a states rights issue and I believe a great majority of Oregonians prefer the mail in ballot policy. Leave well enough alone.
