

Submitter:

Bryan Hosford

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon voters are accustomed to voting by mail and appreciate the flexibility this offers, as many of us work full time, which makes voting in-person considerably more difficult. This bill is yet another attempt to disenfranchise voters. I am asking you to oppose this bill and any other like it that comes before the Oregon legislature.
