

Submitter:

Stephanie Jacobson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

No! No! No! We as Oregonians have always had pride in are ability to vote via mail. As a healthcare worker, my schedule is hectic and demanding, and to be able to mail my vote in is so important to me and to care for my patients without sacrificing time.

Would you rather pull people away from their jobs to vote?!

Shame on you who have purposed this abomination to take the freedoms from the people. Shame on you.
