Lois Stark

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Hello legislators,

Vote by mail is one of the wonderful services of the State of Oregon.

This brings true democracy to our state as it makes voting for everyone accessible and free. People don't have to take off of work, people who are sick can vote, and no postage is needed.

Please vote NO on the proposal to make voting in person.

Lois Statk
