

Submitter: John Hanley

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am opposed to this measure. I have used mail-in ballots for nearly all elections since this form of ballot was approved by the legislature. It provides me the time and focus to research each measure and candidate on a ballot one at a time and to fill in the ballot as I complete my research for each. Please do not pass this measure.
