Oregon Legislature

Re: Testimony opposing bill SB210

To whom it may concern:

I am deeply opposed to proposed bill 210 that would repeal our vote-by-mail system in Oregon (or anywhere). As voting citizens, we have the right to vote and there are many who are physically not able to stand in poll lines, cannot get off work, or live in very rural areas that make it difficult to get to polling sites. Also, those in ill health need an option for their voice to be heard without compromising their health.

I am so tired of all the schemes to take away our democratic rights as citizens.

Thank you,
