

Submitter:	Carol Adams
On Behalf Of:	SB 210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Please do not take away our right to vote by mail. This would cause undue harm for older citizens who may not have the stamina to stand in lines in November weather in order to vote. The convenience of voting from home encourages all of us to vote, regardless of demands of work, family, or transportation issues.
