SB210

I've been an Oregon resident since 1978 and have never missed voting in any election. There are many reasons to vote by mail

Voting by mail is convenient (for many not to take time from work)

Voting by mail is safe and secure.

Voting by mail has been proven to be effective.

Doing away with Voting by mail can result in voter suppression. This is what Trump wants and the reason for this ridiculous bill.

I am in opposition to this bill
