

Submitter:

Sylvia Gray

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not take away our vote-by-mail. So many people are disabled and cannot go. There are long lines and parking difficulties. It doesn't change our vote - it just makes it possible in many cases to vote. This has worked safely and well in Oregon for many years and we should be able to continue with this common-sense way of voting.
