Oregon's mail in voting system secure and effective, the only reason someone would want to repeal it is because they know Republicans lose when more people are able to vote. Putting up unnecessary barriers to voting is undemocratic and another step towards a dictatorship! I am a public servant, I work with hundreds of people that would not be able to vote if they had to travel to a polling place and stand in line for hours and hours. Please, stand up for us we are counting on you to preserve our rights!!!
