

Submitter:	Anita Klee
On Behalf Of:	myself and fellow Oregonians
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Oregon voters approved our vote by mail system of voting for our state. We have successfully used the vote by mail method of voting for years. We, the people, determined that this is what is good for our state. No one outside of Oregon has the right, privileges, or power to change what we the people and legislature choose for Oregonians.
