

Submitter:

Kamala Long

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a voting citizen of Oregon for the last 27 years, I strongly oppose this bill. I have always appreciated the flexibility and freedom to vote from home, and I see no reason to change it. Requiring an in-person vote only provides barriers for those who may be sick, disabled, home with a young baby, etc.

Please reject this bill.

Thank you
