SB210

I oppose SB 210. Our vote-by-mail system allows Oregon registered voters to cast their vote who may otherwise be unable to if it were primarily offered only in-person on election day. Difficulty voting on election day at a polling place can occur for many reasons, including job schedules, illness, health conditions, difficulty traveling to polling locations, being a caregiver to family members or disabled children, etc. Our current system is a successful one that works for Oregon's citizens. Preserve our right to vote by mail as the standard for all elections.
