Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I want to voice my opposition for the change in voting system. Mail in ballots allow disabled people, like myself, the chance to perform our right to vote, regardless of mobility. And with the data backing that Oregon is the gold standard, any changes to the system would be a direct step backwards. I ask you fight against going in the wrong direction and uphold the current gold standard Oregon has held for years.

Thank you.
