SB210

I am urging a NO vote! Vote-by-mail is more secure than in-person voting because the paper ballot is retained. Vote-by-mail allows people without flexible work schedules to cast their ballots. Vote-by-mail allows people with disabilities to vote independently, without relying on someone else for transportation. Oregon has our nation's highest voter participation rate because of vote-by-mail. The only purpose of SB 210 seems to be to disenfranchise Oregonians.
