

Submitter:

Joanne Lintner

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not end mail in voting. I am 77 years old and cannot stand in line waiting to vote. Mail in voting also gives me time to sit down and really study the ballot and make an informed decision.

Ending mail and voting really is a form of discrimination for the elderly, who are unable to get to the polls or stand at the polls waiting to vote.
