

Submitter:

Stephanie Mesenbrink

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mandating in-person voting limits accessibility and makes voting a hardship for many working people. Voting by mail increases voter participation, allows people to be thoughtful as they cast their votes and has proven to be very effective and secure. Don't let Trump's followers change what's worked for decades in our state!
