Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose changing our elections to require in person voting. Oregon's mail-in-voting practices make it possible for more people to participate in elections, which is fundamental to our society. Requires in-person voting serves only to disenfranchise voters. Our state has a functional, established system. Changing would cost money we don't have, and put unnecessary stress on the public and officials.
