

Submitter:

Christina Hinton

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This is an absolutely ridiculous bill and would infringe upon the voting rights of all citizens that WORK during the day, unless you're planning on giving us a paid day off to VOTE in person? Didn't think so. Oregonians are perfectly capable of putting a ballot in a box and the percentage of fraud in our vote by mail system is basically nonexistent. Please stop trying to take away our freedoms.
