I LOVE vote by mail!! I've been doing it every election since it became legal in the 1990's. I like to sit in my house to fill out my ballot, looking up anything I hadn't made decisions on. I remember back when I went to the polling station, there were always some things on the ballot that were not in the Voters Pamphlet, or not in the sample ballot published in the newspaper. Now most don't even get a local paper.

I'm not concerned about voter fraud. When I changed the way I wrote my capital J in Julie, Benton County courthouse wrote me asking me to verify my signature. I trust they are on top of things.

There's no evidence of significant voter fraud in Oregon.

I completely support vote by mail.
