Laura Gordon

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Only voting in person will leave many people unable to vote due to constraints, different abilities, ability to take off work, access to a car... the list goes on. Oregon's voting system has been functioning smoothly for years.., if something is not broken, why fix it? This will impact the ability of a democratic election to occur- if not everyone is able to vote, we are not living in a democracy.
