Measure, Appointment or Topic: HB2583

As a parent of a virtual public charter student, I believe every child deserves equal access to education funding, no matter what type of public school they attend. HB 2583 ensures students like mine get the resources they need to thrive, just like their peers in traditional public schools. Virtual charter students deserve fair access to the same resources as every other public school student. The Student Success Act was meant to support students who need it most, yet virtual public charter students are excluded. HB 2583 is about fairness — ensuring all public school students have equal access to SIA funds, no matter where they learn. Let's make education fair for all Oregon students by voting yes to HB 2583.
