

Submitter:

Ahmad Qari

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail gives me time in the comfort of my own home to do research and discuss things with my spouse. As a relatively new voter (citizen since 2017), I have been lucky to be a voter in Oregon. No lines to wait in, and no time needed to take off work. Voting by mail works and increases turnout and makes for a more informed and educated electorate. I oppose any changes to the current vote by mail system.
